Current Housing

Starting in 2013 with one man and rented rooms, we have grown over the years. Three adjacent houses in Sioux Falls have been purchased, one in 2015, one in 2017 and another in 2019. These three houses allow 20 men and staff to fulfill our mission of returning ex-offenders to society and productive citizenship.

Recidivism: the problem

Recidivism is the return rate of inmates back to prison. Statistics show that nationally, 80% of ex-offenders repeat behavior and return to prison. Kingdom Boundaries Prison Aftercare has a proven history of only a 15% rate of return. Personal mentoring, spiritual guidance and accountability for decisions make a difference.

As a former inmate said, “Take someone who made poor decisions, put them somewhere that they make no decisions and when they get out expect them to make great decisions. That just doesn’t happen!”

Kingdom Boundaries Prison Aftercare is making a difference. You can be part of this ministry to make a positive change in the lives of ex-offenders.

Released from Prison

An average of 200 former inmates are released from Sioux Falls Penitentiary each month.

When a man is released from prison, he is given a white T-shirt, a denim jacket, blue pants, shoes, and \$50.

Released prisoners will be your neighbors or people you meet in your daily routine.

Will they be repeat offenders or become productive citizens?

We can make a difference.
We can give them help.
We can offer an alternative to returning.
